

## Cavendish Farms | New Brunswick

*PROJECT: Cavendish Farms | AREA: Warehouse*

*PRODUCTS: Stonclad GS, Stonkote GS4*

### **THE CHALLENGE:**

Warehouse environments are subject to constant tow-motor and lift truck traffic.

The Food & Beverage Industry requires floors that are durable, abrasion and wear resistant. This particular flooring system also needed to be easy to clean, non-dusting and required the addition of yellow safety lines for worker protection.

### **THE STONHARD SOLUTION:**

The Stonhard team recommended using Stonclad GS / Stonkote GS4 flooring.

### **THE BENEFITS:**

Stonclad GS / Stonkote GS4 flooring provides:

- Superb abrasion resistance
- Good chemical resistance
- Excellent chloride resistance
- Improved impermeability
- Enhanced cleanability
- 25-year track record of performance

Expect performance from start to finish. From design specifications, to project management, to the final walk through, Stonhard works with you to ensure complete satisfaction on every project.

A **turnkey approach** means you'll receive high quality products and installations consistently. From people, to products and services, quality and dependability are a constant with Stonhard.

## STONHARD single source

The **single source warranty** is Stonhard's pledge of responsibility. Our Territory Managers and Field Engineers are dedicated to your satisfaction. Site supervision and service are standard across the country and around the world.

Each Stonhard project receives attention on every level — multi-phase or small projects, from start to finish. Our Territory Managers, Project Managers, and over 65 application teams, are your single source partners assuring quality control and integrated and flexible scheduling.
