

# The Stonres Solution

## Complete Infection Control Solutions

### Your floor in three easy steps:

1. Select the color for your sterile field from the Stonres RTZ color palette.
2. Select Stonres RTZ or Stonres STR as your perimeter product and choose corresponding color.
3. Select your cove base color.

### Why is Stonres RTZ the superior solution within ORs and other critical care environments?

1. Truly seamless! No welds or seams that will fail, creating a breach in infection control.
2. Fast-find colors for suture and sharp drops.
3. Stain resistant to surgical preparation materials such as betadine and chloraprep.
4. Resistant to sporicidal sterilants such as VHP, Virex 256 and Cavacide.
5. Ergonomic, yet abuse resistant in harsh environments such as orthopedic surgery suites.
