SEAMLESS FLOOR-TO-CEILING ARCHITECTURE AND DESIGN SOLUTIONS.

At Stonhard we understand that bringing your vision to life requires so much more than just delivering a product. We partner with you to develop innovative solutions that are custom-designed to solve your toughest architectural challenges. Together we will ensure your projects tell an inspirational story while meeting the evolving demands of today's Architecture & Design landscape.

Through expert technical advice and deep knowledge of products, capabilities and market trends, seamless floor-to-ceiling services, real-time collaboration and problem solving, and an extensive range of sophisticated products and solutions engineered to last a lifetime, we've never met a vision we couldn't bring to life.

Strong knowledge of products, capabilities, market trends and continuing education for the A&D community

Quick turnaround on project tenders

We take responsibility for our installations - Details, Safety, Final Walk Through

Reduced overall time to completion

Reduced requests for information (RFIs)

Comprehensive specification support and review

Intelligently designed and customizable product range to meet price, time and regulatory constraints

Strong reputation and history to build trust with your clients

Dependable, professional relationships and attentive personal service

FROM THE RIGHT PRODUCT FOR THE RIGHT SPACE, TO COMPLETE PROJECT MANAGEMENT

WE SHARE YOUR VISION & VALUES

With Stonhard you'll find a dedicated partner who shares your firm's vision, values and story down to the smallest details. We believe in open communication, listening to our clients, and a collaborative approach to solving problems to help you translate inspiring ideas into inspiring spaces authentically, and without compromise.

We understand the importance of designing spaces that look and feel both beautiful and functional, inspirational and practical, memorable yet effortless. Our custom-designed capabilities evolve with changing needs and help you hone in on exactly the look and feel that will tell your story best to establish that important emotional connection with people. We can create custom samples, including providing on-site mock-up upon request.

PROFESIONALLY TRAINED INSTALLATION TEAMS

FROM SPOTLESS HOSPITAL CORRIDORS AND
BREWERIES TO SLEEK HOTEL BISTROS, OUR
SEAMLESS FLOORS ARE SANITARY, EASY-TO-CLEAN
AND STAND UP TO CONTINUOUS USE

WHY CHOOSE STONHARD?

OUR PARTNERSHIP APPROACH DELIVERS BETTER RESULTS

We go above and beyond to develop strong personal relationships in our partnership with you. We take the time to listen carefully, and share a common language. With attentive, personalized service, communication is faster, easier, and projects run more smoothly. Our lifetime clients return because they rely on this approach to deliver superior results.

SUSTAINABLE SOLUTIONS YOU CAN RELY ON

Our commitment to you extends well beyond the completion of your project. We cultivate relationships by providing single-source solutions allowing you to focus on what matters the most. We offer hygienic finishes that are easier to clean, improving indoor air quality, as well as a comprehensive range of customized LEED-certified solutions and eco-friendly options. Stonhard solutions are built to last and we stand by that promise.

CORRIDORS, MEETING ROOMS, RECEPTION & LOBBY AREAS

MORE RESOURCES, MORE SOLUTIONS

Our highly qualified global team of Architectural Engineering experts will solve your toughest challenges quickly and effectively. With Stonhard you have access to an unparalleled knowledge resource at your fingertips with answers to questions on products, capabilities, technical specifications, market trends, continuing education and more.

Stonhard offers three brands of flooring, Stonhard, Liquid Elements and Expanko. We also partner with Polysto (walls and curbs) and Blucher (drains) to support comprehensive sanitary design.

HAVE QUESTIONS ABOUT YOUR PROJECT?

There is no problem we cannot solve. We work with you directly, no matter where you are located. Our 100% confidence approach means there's no design challenge we can't handle.

STONHARD is a global leader in manufacturing and installing seamless floor, wall and lining systems with sales operations in more than 65 countries.
