(with Stonkote GS4 & HT4)

# PREMIUM COLORS

Stonkote coatings are available in standard (in-stock colors), as well as a broad range of premium colors (made to order and with a slight upcharge). We will also formulate custom colors with additional lead time, minimum order requirements and a nominal charge. Stonkote coatings increase the abrasion and chemical resistance of your Stonhard floor, while improving cleanability. [Click here to go directly to Stonhard's Digital Color Visualizer.](#)
