 RESEARCH LABS | VIVARIUMS | LABORATORIES | LIBRARIES | CAFETERIAS
 LEARNING ENVIRONMENTS | FITNESS CENTRES | MUSEUMS | PUBLIC SPACES
 CONCOURSES | LOBBIES | ARENAS | RETAIL ENVIRONMENTS

Tradition, partnered with innovation, in a floor that has been proclaimed to be its own genre. Stonres is a seamless, resilient floor that combines distinctive design elements with performance and function, using intricate patterns and a vast progressive colour palette in a smooth, stain-resistant, ergonomic and noise-reducing system. Like other Stonhard floors, Stonres meets the challenges of industrial surroundings, yet is created with public spaces in mind.

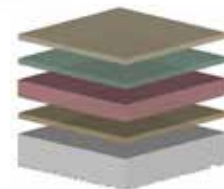

PRIMARY FEATURES:

- Ergonomic
- Resilient
- Sound Absorbing
- Sustainable
- High Strength
- High-Impact Resistant
- Abrasion Resistant
- Wear & Stain Resistant
